IS THIS THE FUTURE OF TAKELEY STREET?

YOUR COMMENTS ARE MAKING A DIFFERENCE

Following objections from local residents, Uttlesford District Council has asked the Developer for further information on a number of important issues.

This means the application is still being scrutinised and there is still time to influence the decision.

EVEN IF YOU HAVE ALREADY OBJECTED, WE ARE ASKING YOU TO COMMENT AGAIN.

The Council is now consulting on new and updated information submitted by the Developer, and every additional comment helps demonstrate the strength of local feeling.
